Mrs. Bucher stated that the Fulton County Engineer’s office visited and inspected her property where it pertains to the ditch setback. Rod Creager, of the Fulton County Engineer’s office submitted a letter to the Bucher’s, as well as the Swancreek Township (see attachment).

Mrs. Bucher stated that Mr. Creager is satisfied with the amount of footage on the other side of the ditch, should it need to be maintained, with the stipulation that the Bucher’s not build anything on that side of the ditch.

Earl Rowland affirmed that the letter was received and reviewed. He reiterated the Fulton County Engineer’s stipulation and terms of not building on the North side of the ditch in the future.
